FIXED TERM TRAVEL EMPLOYEE DISCLOSURE AND CERTIFICATION FORM INSTRUCTIONS

Introduction:

If you are a Temporary Nursing Service (TNS) agency *and* employed one or more fixed term travel nurses during calendar year 2008 you must submit the following two documents to the Massachusetts Division of Health Care Finance and Policy (DHCFP) on or before June 1, 2009:

1) Fixed Term Travel Employee Disclosure Form (FTTED)

This disclosure involves completing an Excel spreadsheet available on the Commonwealth's website at www.mass.gov/dhcfp/nursingservices. Alternatively, you may submit a comma delimited (CSV) file independent of the spreadsheet; however, all data fields must contain identical type information to the spreadsheet, including column headings and field lengths

2) Fixed Term Travel Employee Disclosure Certification Form

This form attests that all information provided in the *FTTED* is true, accurate, and prepared in accordance with applicable instructions and requires an agency representative signature. As the Certification Form must be returned to DHCFP in hard-copy form, you may conventionally mail or hand-deliver the form.

Due Date:

This information is due to DHCFP on or before June 1, 2009.

Required Data:

Explanations of specific data to be submitted to DHCFP are below. Please note that for your convenience, drop down selection lists have been added in the Excel spreadsheet and are found in several of the data fields.

- TNS Name (Text Field, up to 100 characters)
 Please select your Temporary Nursing Services Name from the drop down list of choices for each row of data. If your agency is not on the list, please contact the DHCFP at 800-609-7232.
- DHCFP Organization ID (Number Field, up to five characters)
 This field will fill-in automatically once you have selected a Temporary Nursing Services
 Name. If you are submitting a CSV file independent of the spreadsheet, a list of
 organizational identification numbers is available at the end of this document for your
 reference.
- *Travel Nurse First Name* (Text Field, up to 50 characters) The first name of the travel nurse employed by your agency.
- Travel Nurse Last Name (Text Field, up to 50 characters)

The last name of the travel nurse employed by your agency.

- Travel Nurse Mass. DPH License number (Text Field, up to 10 characters) The license number of the travel nurse employed by your agency as issued by the Massachusetts Department of Public Health (DPH).
- Travel Nurse Primary Residence (Text Field, two characters)
 The two letter abbreviation of the state where the travel nurse employed by your agency resides.
- Organization or Facility where Travel Nurse Provided Services (i.e. hospital or nursing home) (Text Field, up to 100 characters)
 Please select a name from the drop down list of choices. If the facility is not on the list, please contact the DHCFP at 800-609-7232.
- Total Hours Worked (2008) (Number Field, up to five digits)
 Please use whole numbers to indicate the total hours worked by the travel nurse employed by your agency at each facility for calendar year 2008.
- Reporting Year (Text Field, four digit year)
 Reporting year of the FTTED. The current reporting year is 2008.
- Length of Contract (in Days) (Number Field, up to five digits)
 Please provide the length of the temporary nursing services contract in days.

Instructions for Data Submission:

- Finding and completing your FTTED Excel file
 - Finding the Excel file: To electronically file your data please go to
 <u>www.mass.gov/dhcfp/nursingservices</u> and click on the link Fixed Term Travel
 Employee Disclosure Form. This will open the file,

 NSR orgname 2008 travel.xls>, in your computer's web browser.
 - 2. Saving the Excel file: Now, with the file open in your web browser, click on the menu bar at the top of your browser and save the file to your computer. To do this, select File<Save as<. Note that when you are prompted to save the file, please change the "orgname" part of the file to reflect the name of your organization. For example, if you are filling out the file for ABC temporary nursing services agency, please save the file as <NSR ABC 2008 travel.xls>.
 - 3. Completing the spreadsheet: You must add a row of data for each instance of a travel nurse employed by your agency for each different facility (nursing home or hospital) he/she has provided services. If a traveling nurse has been deployed by your agency to two different hospitals and three different nursing homes, you must add five rows of data; one for each facility where he/she has worked. Please remember to save your entered information frequently.

Creating and submitting your FTTED comma delimited (CSV) file

- How to create the comma delimited (CSV) file: After all necessary data is entered; you must save the spreadsheet as a CSV file <NSR_ABC_2008_travel.csv>. Select File<Save As< from the Excel spreadsheet menu.
 - o Click in the "save as type" box and choose CSV (Comma delimited) *.cvs.
 - Name the CSV file the same as your Excel file. You should notice a change in the file extension, which will now be .csv rather than.xls).
- 2. How to submit your CSV file: Please email a copy of your FTTED CSV file to DHCFP and retain a copy of the completed file for your records. See below ("How to File") for email address and additional instructions.
- 3. Submission Requirements: If you are submitting your FTTED independent of the provided DHCFP Excel spreadsheet, make certain all data fields contain identical type information to the spreadsheet. All data submissions must be in CSV format.

• Filing your FTTED and Certification Forms to DHCFP

There are two steps for filing this report:

- 1) Please attach and email your completed Fixed Term Travel Employee Disclosure CSV file to hcf.data@state.ma.us. In the "Subject" line of the email, please type "Fixed Term Travel from..." and include the name of your facility. Also, in the body of the email, please include the sender's name, facility, and telephone number.
- 2) Please conventionally mail your signed Fixed Term Travel Employee Disclosure Certification Form to:

Peg O'Brien, Manager, Intake
Division of Health Care Finance and Policy
2 Boylston Street
Boston, MA 02116
